

Cu'Fu? (So who did it?) a solo, two-act play, the second concert in the Performing Arts Lakefield 98-99 concert series will be presented Nov. 27, 8 p.m.

Performed by Charly Chiarelli it is a blend of story telling, acting and musical creativity. Charly's harmonica

plays ripples through the scenes of this intensely personal story of cultural transplantation with universal sensitivity. It has been described as both achingly tender and deliriously funny.
